## GIFT OF REST NOMINATION PROCESS

Accompaniment Every Step of the Way

### NOMINATION

An individual or family is nominated to us via our website.

### INITIAL INTERVIEW

Members of the SEEN team meet with the nominated individual or family to learn their story and understand what the Gift of Rest looks like for them

### MATCH NEEDS WITH RESOURCES

Identify which of our partners can help provide each tailored Gift of Rest. Sometimes this means adding new partners to our team!

### DELIVER THE GIFT(S) OF REST

Provide the gift(s) of rest. This can mean a one-time action like delivering an item or service or something more long-term like coordinating cleaning services.

### ONGOING SUPPORT

Remain in contact with the individual and family as long as they desire to ensure they feel seen and never walk alone.
